National Education Policy 2020 also emphasizes on digital literacy, digital pedagogy, use of technology and its integration so as to transform the entire nation into a digitally empowered society. Upholding the purpose of TET, CBSE is committed to enhancing the quality of the Central Teacher Eligibility Test (CTET) in order to reflect its core purpose of attracting and filtering candidates with the aptitude and passion to enter the teaching profession. Therefore 15th edition of CTET-December, 2021 is scheduled to be held during 16th December, 2021 to 13th January, 2022 all over India in identified cities in **CBT Mode (Computer Based Test) only for the first time.**

In order to facilitate the CTET candidates, your institution has been identified as Test Practice Center for practice of Mock Test by CTET aspirants. A link for Mock Test is available on CTET website www.ctet.nic.in. The candidates may practice for Mock Test from home also.

In case any candidate wants to practice for Mock Test from your institution, you are requested to allow him to practice Mock Online Test by allotting a computer in your school during school timings. This facility is free of cost hence the candidates should not be asked to pay any fee for it.

I shall be very grateful for your cooperation in this regard.

Yours faithfully,
