Honorable Parents,

With due regards, it is being informed that we have board examination center for The Session 2022-2023, so huge gathering is strictly prohibited as per "C.B.S.E." norms. As a result "Provisional Result" publication date has been rearranged in different dates and new dates for publication of "Provisional Result" will be scheduled in lieu of old schedule. Parents are requested to follow this "New Provisional Result Date Sheet" written below-

As guardians have to find the provisional result, no school transport will be available 'on that date.'

Thanking you all
