

# VIVEKANANDA MISSION HIGH SCHOOL

## NOTICE

### Subject: Private Tuition

Revered Parents,

As per the view of management students are not allowed to take private tuition from the school teachers up to class X. Our school is liable to complete the Home work with questions & answers ( or notes ) during the class hour. Only the students will go through the revision work at home guided by parents / guardians. It is also requested to all the parents / guardians of our school to maintain the same decorum. It is also brought to your notice that if our teachers are busy in private tuition, they will be tired and exhausted to give the best effort during the class. As a result they may not be able to devote their best endeavour during the class. Our management also discourages private tuition.

Awaiting your kind and sincere cooperation,

With regards,

Dr. H. Roy

Principal
