NOTICE

DATE: - 10/07/2023

Hon'ble Guardians of class IX ,

As per the resolution adopted by our school academic committee, it is being informed that

1. From this year school has implemented 6th Additional subjects for class IX students which are

a) Computer Application (code – 165, Theory – 50 Marks, Practical – 50 Marks for Board Exam)

b) Hindusthani Vocal Music(Code - 034, Theory – 30 Marks, Practical – 70 Marks for Board Exam)

6th Subject is not mandatory for all. If any student is unsuccessful in 5th Subject, the pass marks of 6th subject will be added in place of 5th subject (other than two language subjects) in the Board Exam and the student will not be treated as Compartmental.

So, willing students may take any one 6th subject as Additional subject and for this purpose, students have to submit their names consulting with their parents through the link provided earlier.

2. Registration of class IX will be done very soon. So students' data are required to input in the CBSE's portal. After submission of data no correction will be made as per CBSE guidelines. School will take the data whatever submitted by the students during the time of admission. But if anybody wish to change any data are hereby requested to meet with Mr. Tarak Hui(Exam Dept.) by submitting the application duly signed by the students as well as by the parents latest by 17th July, 2023. In this regards students have to remit Registration fee, processing fee etc. that will be informed in due course.

3. From this year, school management has decided about dress code where students from class IX onwards have to wear blazer. In this regard students have to pay Rs. 1500/- only in advance and the measurement will be taken by authorized person latest by 13th July, 2023.
